Automatic-hand Sanitizer Dispensing Digital Display Kiosk

Our Automatic-hand sanitizer Dispensing Digital Display Kiosk can help to increase customer engagement between businesses and visitors while also motivating users to use the automatic hand sanitizer dispensers. The new line of sleek freestanding and wall-mountable kiosks comes with a hand sanitizer auto-dispensing system to cleanse our hands at ease.

The key feature is the sensor that detects hand movements and thereby dispensing the right amount of hand sanitizing liquid. The Auto-hand sanitizer Dispensing Digital Display Kiosk can benefit any form of business in the UAE.

BETTER HEALTH ADVERTISING

Whether you're a retail store, a fast food restaurant, bar, pub, dental practice or a trampoline park, the hand sanitizer messenger kiosk will allow your business to uplift in-store sales, generate an external advertising revenue and help promote good hand hygiene.

6 OUT OF 10 VIEWERS

Recall the advertisements on our kiosks. That's 10x higher than a typical billboard.

HEALTHY SALES

Your customers will be able to sanitize their hands, keeping deadly bacteria at bay, and engage with your uploaded adverts on the HD 21.5 inch digital screen.

71% MORE LIKELY TO PURCHASE a product offered on the hand sanitizer advertising kiosk.

50% OF VIEWERS would take a brochure or coupon as a result of advertisements on the kiosk.

HAND SANITISER you can purchase our alcohol free hand sanitizer, that is child friendly and lasts for more than 6 hours.

2 OUT OF 3 CONSUMERS are likely to use the kiosk, offering both hand sanitizer and advertisement.

Automatic-hand Sanitizer Dispensing Digital Display Kiosk

The digital kiosk is a marketing and hygiene product, which display digital content, sound and text on a 21.5 inch HD touch screen. The kiosk is also an automatic no-touch dispenser, which can dispense hand sanitizer.

BENEFITS TO LAST

Auto dispensing function

With integrated sensor, users will not need to touch the device for the sanitizer to work.

Refilling of sanitizer

The sanitizer container of the digital kiosk with a capacity of 1000ml/2000 ml, is easily accessible from the front part of the kiosk.

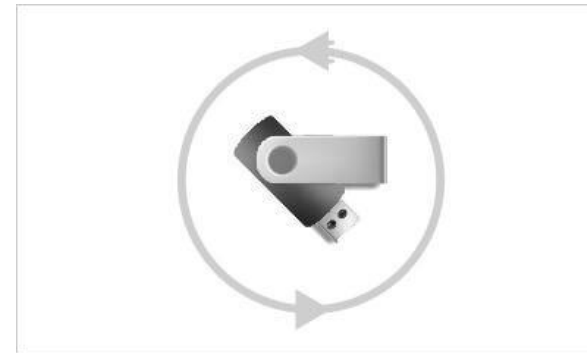

Installation types

The digital kiosk with automatic hand sanitizing dispenser can be mounted on the wall or as a floor-standing configuration as per your needs.

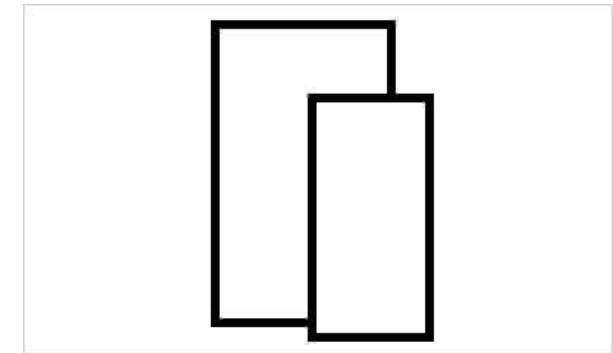

Great viewing angles and low response time

The automatic hand sanitizing dispenser digital kiosk comes with a pro-cap touchscreen panel with a low response time of just 6ms.

Plug and play

Users will be able to play videos, images and slides with USB or HDMI inputs.

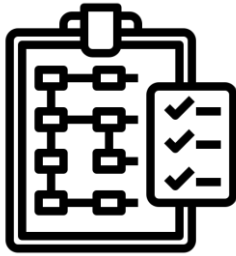

Different screen sizes

The digital kiosk is offered in 32-inch and 55-inch screen sizes. The display plays Full HD content with crisp and sharp details.
