

PROTECT YOUR SPACE

High Level Disinfectant:
Kills 99% Of Viruses,
Bacteria, Mold, Fungi &
Spores

Non-toxic Disinfectant,
Safe For Adults & Kids

Options for operation &
maintenance available

As the need arise for mass disinfection solutions, disinfection gates or tunnels will become an integral functionary section for every facility. These gates are being implemented all over the world in different designs, at different efficiency levels.

AFJ Interiors uses high-pressure pump with pressure over 40bar, thus creating very fine fog. Also HP fogging offers the least disinfectant consumption versus spraying or low-pressure pump.

KEY FEATURES

- Protective measure prior to entry to any facility
- Motion sensor system
- Easy to install
- Suitable for crowds
- Booth time of 5-7 Seconds only
- Anti-slip flooring
- Body Temperature Sensor
- Plug & Play
- Made in UAE
- Disinfectant approved by Dubai Municipality

Prices starting from AED 6,000++

DISINFECTATION TUNNELS

Basic Structure

How Does It Work

Flexible in dimensions to match your entrance, the setup has Internal arc-shaped atomizing nozzles which saturate the environment. as soon as someone enters, motion-controlled sensors detect the person and system get activated. The standard 250 Liter Tank is sufficient for a crowd of up to 2,500 – 3,000 people in one fill.

Drainage

The fine mist evaporates as it disinfects the person and any liquid residue is carried on the raised floor to the drainage tank or connected to the existing drainage structure.

Disability Access

Both entrance and exits can have anti-slip ramps to accommodate easier crowd movement

Design Options

Events | Exhibitions | Teambuilding Activities | Entertainment
Marketing & Communications | Media Management
Audio Visual Equipment & Furniture Rental
Interiors

Basic Tunnel Structure and Mechanics

- MS Construction
- 12v Pump
- Built in 250 Liters Liquid Reservoir with internal Control Panel
- Rechargeable Battery

1m x 1m x 2.2m | AED 6,000 per unit
 2m x 1m x 2.2m | AED 11,000 per unit
 3m x 1m x 2.2m | AED 16,000 perunit

Sanitizing Solution

These solutions are:

- High-Quality Disinfectant / Sanitizing Liquid
- Certified and Tested by Local and International Authorities.
- Non-Alcoholic, Non-Toxic and containing No Chemicals.
- Human Safe

2,000 Litres | AED 5,000
 3,000 Litres | AED 6,500
 10,000 Litres | AED 12,000

Temperature Scanner with alarm & temperature reading, Hand sterilizing, Graphic Design

- 1) Non-contact infrared rapid thermometer
 - Automatic Alarm for abnormal temperature
 - Charging Method Lithium Battery
 - Digital Display
 - Distance 5- 10 cm
- 2) Automatic Hand Sanitizer Dispenser

AED 500

Display Screen with Alarm & Camera, Hand sterilizing

- 1) Non-contact infrared rapid thermometer
 - Automatic Alarm for abnormal temperature
 - Charging Method Lithium Battery
 - Digital Display
 - Distance 5- 10 cm
- 2) Automatic Hand Sanitizer Dispenser

AED 3,500

Ramp (Both ends)

- Bespoke Ramp

AED 700

Professional Installation Services

- Tunnel Installation, Setup and Commissioning
- Disinfectant Liquid Loading
- Training
- Support Services
- Delivery in UAE

AED 1,000

Optional Additions:

Tunnel Exterior Build to be Quoted as per Client Brief
 Branding to be Quoted as per Client Brief

Financial Details

Terms & conditions

- Supply, installation, testing, commissioning and support of pedestrian disinfection sanitizing tunnel solution. (If service is taken)
- Supply of project materials on site
- Mounting, installation & configuration of devices
- Testing will be carried for “adequate” performance.
- Training will be provided for user to manage the system
- Three months manufacturer warranty from the date of shipment. Extended warranty available.

Special instructions and assumptions

- The prices quoted above are in United Arab Emirates dirhams.
- Confidentiality: all the technical and commercial information provided in our proposal shall be maintained in strict confidentiality by the client.
- The proposal is valid for a period of 30 days from the date of submission and thereafter subject to written confirmation from AFJ Events Management.
